Reimagining Description and Access

Finding Aids

Use this site to explore descriptions of our unique holdings at the Princeton University Libraries, which include manuscripts, archival collections, images, ephemera, and much more one-of-a-kind material.

[Show Advanced Search](#) | [Search Tips](#)

Topics

This is a great place to start if you would like to know what we have in a given subject area. We have broken down our collection strengths based on topic.

Names

Doing research on a particular person or organization? Click here for historical information and links to collections about individuals, families and corporate bodies.

Collections

The library is composed of many different sets of archives and collections. This is the list of every collection we have described in finding aids.
